

First Day of School - Entry Plan - Tuesday, September 4th, 2018

Welcome back to another exciting year at St. Angela Merici Catholic School! We hope you had a restful and enjoyable summer with your family and friends.

The staff have all been working hard to prepare classrooms and learning spaces to make them inviting for our students. We know that this year will be a very productive and enjoyable year.

Thank you to Mr. Pais, Mr. Rizza, Mr. Borrelli and Ms. Barson for making our school sparkle and to Mrs. Gillard and Mrs. Vernon for setting up our office for the upcoming school year.

Bus students will be greeted by a staff member and accompanied to the appropriate area.

First Day of School Procedure (NO RAIN)

On the first day of school, parents are permitted to be on the pavement until 8:40 am. There will be signs along the exterior school/portable walls (pavement) indicating where each grade (grades 1-8) will gather and SK students will gather in the kindergarten play area. Teachers will stand near the poster of the grade they are teaching with their class lists. Please refer to the school map provided below. Prep, FSL, SERT's, and Reading Recovery teachers will be available to provide assistance where needed (they will have a copy of the class lists).

Once the entry bell rings, teachers will escort their students to their classrooms and parents will exit the school property. Parents are not permitted in the building.

First Day of School Procedure (RAIN)

If it is raining on the first day of school, we will gather as follows:

- All students in SK will gather in their classrooms from last year
- Gr. 1 and Gr. 2 students will gather in the Gym
- Gr. 3 and Gr. 4 students will gather in the Main Hall
- Gr. 5 students will gather in portable 401
- Gr. 6 students will gather in portable 403
- Gr. 7 students will gather in portable 407
- Gr. 8 students will gather in portable 408
- New students to the school, SK to Grade 8, will assemble in the Library

Parents are not permitted in the school building if it is raining.

Students will be organized into their classes at this point, and will proceed to their classroom to begin their first day of school.

May the first day of this school year be filled with excitement and happiness!

Mr. Almeida and Mrs. Bowen
