A Prayer for our Earth

Let us pray for: air, wind, climate and weather.
Let us pray for: sun, clean energy and prevention of global warming.
Let us pray for: animals, especially endangered species.
Let us pray for: humankind.
Let us pray for: recycling and moderate personal consumption.
Let us pray for: proper use of chemicals and disposal of toxic waste.
Let us pray for: Earth and unity.

"God has told you, O mortal, what is good; and what does the Lord require of you but to do justice, and to love kindness and to walk humbly with your God?" Micah 6: 8

Creator God, we thank you for all of creation. We ask Your forgiveness where we have failed to be just stewards. And we now ask for Your guidance in restoring the face of the earth. May we learn to live in harmony, safety and just sharing of resources among all so that we achieve the kingdom of God.
Amen.

Live Jesus in our hearts. Forever!
