We pray for our Grade 6 students as they write the EQAO assessment this week. Students from Ms. Capeloa and Mrs. St. Peters' classes have been working hard all year, but especially in the last few weeks to prepare for this provincial assessment. We ask parents to please ensure students are at school this week and arrive on time daily. We encourage them to do their best but also emphasize that this experience should not be a source of great stress. The assessment booklets are divided into 6 sections (2 math and 4 language). Students will have up to 2 hours to complete each section.
