

The Week Ahead

St. Angela Merici Catholic School
October 15 - 19, 2018

“October is Women’s History Month in Canada, a time to celebrate the achievements and contributions of women and girls across the country and throughout our history.

This year’s theme is **#MakeAnImpact**, in honour of the women and girls who’ve made a lasting impact as pioneers in their field. Whether as business leaders,

politicians, researchers, artists or activists, these women of impact have helped shape Canada into a thriving, diverse and prosperous country through their achievements and desire to make a difference.

As part of this year’s celebrations, we launched [Women of Impact in Canada](#), an online gallery that celebrates the achievements of more than 100 women and girls through photos and biographies that capture some of their many successes. The gallery is an educational resource, an introduction to the lives of these remarkable women, and a starting point for further discovery. Learn more about their contributions by exploring the gallery’s interactive map and timelines, as well as the Learning Toolkit.

Do you know a woman of impact? Share her story using the hashtag **#MakeAnImpact** and tell us about the women and girls making an impact in your community.”

October 18 is Persons Day in Canada!

“It marks the day in 1929 when the historic decision to include women in the legal definition of “persons” was handed down by Canada’s highest court of appeal. This gave women the right to be appointed to the Senate of Canada and paved the way for women’s increased participation in public and political life.

Each year, the [Governor General's Awards in Commemoration of the Persons Case](#) are awarded in the fall as part of Canada’s Persons Day celebrations.”

Postcards for Bradford valley

We are asking friends and families to join us in collecting post cards from around the world! To achieve this goal, please send us a post card from wherever you live or are travelling too. In the post card, tell us a bit about the place you are visiting or live – it can be anything from weather to events that may be happening. We are hoping to share this with our residents to give them an opportunity to connect with the communities around them. You can also pass this onto friends and families in your network and encourage them to do the same!

All post cards can be addressed to;
