

# The Week Ahead

St. Angela Merici Catholic School  
September 17 - 21, 2018

## DRESS CODE

St. Angela Merici Catholic School has a dress code. We ask parents to take the time to review it with their children. The dress code can be found in the agenda that was sent home with your child. We have noticed very short shorts in the last two weeks. We ask students to follow the dress code to ensure everyone at school is feeling comfortable and not put in a difficult or awkward situation. Students who do not follow the dress code will meet with Mrs. Bowen or Mr. Almeida and will be asked to change their outfit. For repeated incidents, a phone call will be made home.

## Kiss and Ride

Parents using the Kiss and Ride are reminded to remain in their vehicles, allowing staff to help students exit the vehicle safely. Once students have been safely unloaded and are on the sidewalk, parents are asked to continue driving in line, waiting their turn to leave the Kiss and Ride. Pylons are in place to remind drivers that **passing cars in line is not permitted**. For everyone's safety, kindly wait patiently until you reach the front of the line and then exit the Kiss and Ride.

**NO CHILD WITHOUT®**

This lifesaving program provides free service plan coverage and a free MedicAlert medical ID for students that live with a medical condition, between the ages of 4 to 14 years old. The

MedicAlert ID speaks for these students in an emergency, for various medical conditions, such as allergies, asthma, heart conditions and others. Families of students attending St. Angela can sign up for their MedicAlert protection. Please come to the office for a pamphlet with a specific code.

Lunch Lady

**Welcome to Ms. Alvarenga, who joins our team of Educational Assistants.**

## Drop-Off and Go

When dropping off your child in the morning, we kindly ask parents to leave shortly afterwards. The high volume of parents lining the sidewalk near the Kindergarten yard and the Primary area, make it very difficult to unload students using the Kiss and Ride. "Drop-Off and Go" also promotes independence and children are more apt to socialize with their peers. This is especially true of our kindergarten and young primary students. Please note that staff will be gently reminding parents to "drop-off and go". Thank you for helping us foster independence with your child.
