

# The Week Ahead

St. Angela Merici Catholic School  
May 27 - 31, 2019

Congratulations to the Confirmanti who received the Sacrament of Confirmation on Saturday. Thank you to our grade 7 teachers, Mrs. Montevirgen and Mr. Rogers for supporting and preparing them. Thank you to Fr. Joshua for a wonderful mass.

**Parent Climate Survey:** This survey will be available until Friday, May 31, 2019.

Lunch Lady

We wish our grade 6 students good luck as they begin writing the EQAO Primary Assessment. We know they have been working hard and know that all of that hard work will pay off. Thank you to all staff who have helped prepare our students and to the staff that will work this week to ensure our students do the best they can.

We offer the following prayer for our students participating:

Lord, as we prepare for this year's EQAO testing,  
we want to thank you for all of the gifts you have given us:  
Gifts of wisdom and learning, and minds to admire the beauty of your creation.  
We ask you to be with us as we take these tests:  
Give us confidence and peace, clarity and a good memory,  
so that we may apply what we have learned,  
and put into practice what our teachers have taught us.  
Help us to know that we are **always** your beloved children,  
before we begin these tests, while we are writing them, and after they are done.  
Whatever our scores may end up being, remind us that your love for us never changes,  
and that there are many, many ways that we can share ourselves with others,  
serving them, loving them, and becoming more and more the people you want us to be.  
Praise to you, Lord, for walking alongside us, today and every day.  
Amen.
