Easter Monday — School Closed

Crabby Road

4-22-12

Today is Earth Day. Students and staff at SAM will be engaged in Earth Day activities throughout this week, with a culminating day of cleaning our yard on Thursday. Thank you to Mike O'Hare, Manager of Parks and Property with the Town of BWG, for once again supplying our school with wood chips, wheelbarrows, and shovels to help beautify the trees on our property.

Thanks to our Green Team, our students have been learning about ways to help our Earth: using our filling stations to refill reusable water bottles and avoiding plastic bottles; packing litterless lunches; collecting plastic bags for recycling, etc. Help support these initiatives. Talk to your children and get them to tell you how we can make a difference!

Easter Prayer

The veil of darkness
Transformed to the brightest light.

The most dreadful end
Became the most beautiful beginning.

The depths of despair
Fade to reveal hope everlasting.

The curse of death
Defeated by eternal life.

Thank you Lord, for the wonder of Easter.
