It is with sadness that we announce that today is Mr. Venditti's last day in his role as Kindergarten teacher at SAM. Mr. Venditti has been an integral part of our Kindergarten team and will be sorely missed by his students and the entire SAM family.

We also wish to thank Ms. Sala who has done a wonderful job this term in Grade 5. Today will be her last day at SAM as well. We wish Mr. Venditti and Ms. Sala all the best.

9:00 AM to 3:00 PM **Jump Rope 4 Heart** — Gym

You're the reason
I can't breathe

HAPPY VALENTINE'S DAY

Here is a great game to play with children in Kindergarten and Primary (grades 1-3). Have fun!

Make 10 Go Fish

- **Focus:** Subitizing
- 2 + players
- Deck of number cards (1-10 or 0-9)

Instructions:

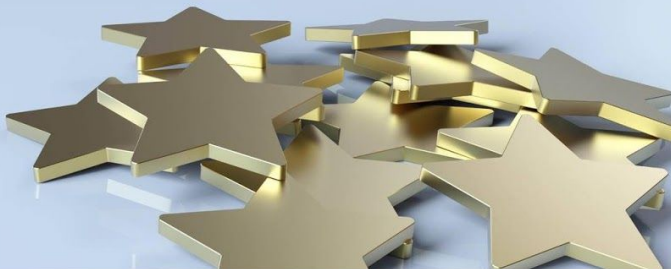

1. Deal 5 cards to each player
2. Each player looks for pairs of cards in their hand that add to make ten. Players place those cards face down and draw new cards so they each have 5 cards in their hands
3. Players take turns asking each other for a card that will make a ten with a card in their own hand.
4. If the player gets the card, the pair of cards is put face down and the player picks a new card from the deck
5. If the player does not get the card, the player must "Go Fish" and draw a card from the deck. If that new card makes a ten with a card in the player's hand, the pair of cards is placed face down and a new card is drawn
6. If a player runs out of cards they draw 2 new cards
7. A player's turn is over when no more pairs of ten can be made
8. The game is over when there are no more cards
9. If points are being tallied, player's get a point for each pair of cards they have that made ten
