The Week Ahead
February 4 - 8, 2019

Term One Report Blackout: February 1 - February 7, 2019

Officially recognised in Canada since 1995, every February, Canadians are invited to participate in Black History Month festivities and events that honour the legacy of Black Canadians, past and present. Federal, Provincial and Municipal governments all recognize the importance of Black History Month and as Canadians we take this time to celebrate the many achievements and contributions of black Canadians who, throughout history, have done so much to make Canada the culturally diverse, compassionate and prosperous nation it is today.

The Government of Canada's [Black History Month website](https://www.blackhistorymonth.ca/) is a good source of information. For 2019 the theme is: *Black Canadian Youth: Boundless, Rooted and Proud*

Another great site for kids:

Share the Love! CANDY-GRAMS will be sold through school-day from Monday, February 4th to Sunday, February 10th only. The peanut-free lollipops can be purchased for 25 cents each. Be sure to indicate the quantity and the names of students to receive a Candy-Gram from your child. Members of the SAM Student Council will deliver the Candy-Grams to classrooms for Valentine's Day! All proceeds will be sent to ShareLife. <https://www.sharelife.org/>

Monday, February 4, 2019

Wondering how you can help your child(ren) with Math?

[This guide](#) provides hands-on activities so that parents, guardians, caregivers and other family members can help support the development of mathematics abilities in Kindergarten to Grade 6 learners. It includes tips as well as practical activities that can be used at home and in your local community. Enjoy learning together!

Working in Number Sense (WINS) activities are designed for parents to engage with their child using the [mathies learning tools](#) and [games](#) to build knowledge and skills in Number Sense and deepen understanding of mathematical concepts. Use [mathies Learning Tools Tip Sheets](#) for reference on how to use the tools.

[Representation Cards](#) are used for some activities
