

The Week Ahead

St. Angela Merici Catholic School
March 18 - 22, 2019

As we celebrate St. Patrick's Day this Sunday, consider the following quotes on luck:

"I'm a greater believer in luck, and I find the harder I work the more I have of it," Jefferson said, according to the Thomas Jefferson Encyclopedia.

"We are all a great deal luckier than we realize, we usually get what we want—or near enough," Dahl wrote in Charlie and the Chocolate Factory.

"I believe luck is preparation meeting opportunity. If you hadn't been prepared when the opportunity came along, you wouldn't have been lucky," Winfrey said in the July 2003 issue of O, The Oprah Magazine.

And finally, an Irish Blessing for all:

May your troubles be less, and your blessings be more.
And nothing but happiness come through your door.
